EXPANSION UPDATE

Portland, Oregon

PORTLAND, OREGON - MORE OF A GOOD THING

Once again Okonite is taking steps to prepare for the future.

In response to our customers' needs, we are pleased to announce the expansion of the Okonite, Portland Service Center. The additional space will enable us to stock more cable locally and provide additional services in project management.

This expansion is an investment in our customers. Okonite is always striving to be the best in cable development, production and service. We are already underway with an expansion at our Santa Maria, CA plant, and just concluded a major expansion at our Orangeburg, SC plant.

The Portland Service Center expansion at our current location will be completed in March of 2007. Since opening 15 years ago, our facility has been steadily reaching capacity in keeping up with your cable needs. We started with 35,000 square feet and two cutting lines, this addition has increased our total floor space to 50,000 square feet.

George Matto

Kirk Lauritsen

Kathy Wade

Heidi Rudolph

The following benefits will be realized as a result of the added square footage:

- More cable here when you need it*
- Cuts and releases on your timetable, job measured lengths resulting in reduced waste*
- Paralleling reduces the number of reels at the job site equals less waste*
- Greater variety of cable to fill your needs for Industrial, Utility, Contractor and Distribution Cable*
- You will enjoy lower LTL cost of freight, local shipments will save you money*

These and other benefits should translate into continued excellent service and reduced overall cost to our customers. This is our response to those who have placed their confidence in Okonite reliability and customer service. Much of the utility and industrial expansion over the past 15 years has been powered by Okonite cable. In a large part, that cable has moved through the Portland Service Center and shipped into Oregon, Washington, Alaska, Idaho and Western Canada.

You can count on the original team to continue to respond to your cable needs:

- George Matto, District Manager
- Kathy Wade, Supervisor, Office Sales
- Alan Winders, Service Center Manager
- Kirk Lauritsen, Sales Representative
- Heidi Rudolph, Customer Service Representative
- Mark Korywo, Senior Warehouseman
- Ben Wilcox, Warehouseman

Alan Winders
