

THE OKONITE COMPANY

QUALITY POLICY

The Okonite Company's primary focus has been to strengthen our position as a premier manufacturer of high quality electrical cable. To attain this goal, employees shall support the commitments of our Quality System including:

- *Continuously improving our products and processes*
 - *Meeting or exceeding customer requirements*
- *Applying prevention rather than detection techniques*
 - *Providing a safe work place*
 - *Preventing pollution*
 - *Maintaining competitiveness*
 - *Minimizing Waste*
